**\*Call To Worship from Psalm 104** (responsively)

Yahweh, how many are the Works you have created,  
arranging everything and wisdom!

**Earth is filled with creatures you have made:**

see the vast ocean teeming with countless creatures, great and small,  
Where ships go to and fro, And Leviathan that you made to play for you.

**All creatures depend on you To give them food in due season.**

You give the food they eat; With a generous hand, you fill them with good things.

**If you turn your face away – they suffer;**

**If you stop their breath – they die and return to dust.**

When you give your spirit, they are created. You keep renewing the world.

**Glory forever to you, Yahweh! May you find joy in your creation.**

At your first glance the earth trumbles; At your touch the mountains smoke!

**All my life I will sing to you Yahweh; I will play for you, my God, as long as I live.**

May my life be pleasing to you While I find my joy on earth!

**Bless Yahweh, oh my soul!**
